"Ahriman: Exile" by John French, what can I say, it's a really good read. The Thousand Sons ex-chief librarian is one of my favourite personas from the HH universe. I had reservations about this novel from the outset, mainly as this is John French's first full novel for Black Library - how wrong I was, Mr French does him justice.

(Part 1) " by John French With all the warp whispering of Magnus' imminent return to realspace, we thought it was a probably time to check up on the Daemon Primarch's wayward son, Ahzek Ahriman; it's never a good idea to take your eyes off him for long, after all.

### **Who is Ahriman? (Part 1) - by John French - Warhammer**

I've had Ahriman: Exile for quite some time, but just hadn't got around to reading it. Talon of Horus is told from the perspective of one of Ahriman's greatest rivals, and because I enjoyed French's two Ahriman short stories, this seemed like a perfect next read.
