The American Revolution was a colonial revolt that took place between 1765 and 1783. The American Patriots in the Thirteen Colonies won independence from Great Britain, becoming the United States of America. They defeated the British in the American Revolutionary War (1775–1783) in alliance with France and others.. Members of American colonial society argued the position of "no taxation ...

To a large extent, the American Civil War was fought in cities and farms of Tennessee, as only Virginia saw more battles. However, Tennessee is the only state to have major battles or skirmishes fought in every single county. Tennessee was the last of the Southern states to declare secession from the Union as a substantial portion of the population were against secession, but saw more than its ...
