By overlooking those who identify outside of the binary -- the group I call 'genderqueer' -- we are left without tools for understanding these new and quickly growing gender identifications. This metaphysical gap in turn creates a conceptual lacuna that contributes to systematic misunderstanding of genderqueer persons.

### **Talking beyond the binary: the sociophonetics of Southern**

Beyond Binary (Lethe Press) takes the reader on a journey through worlds where many things are uncertain and undefined, not least of which is what most of us look for first to orient ourselves in a fictional world. Is the protagonist male or female? Is s/he straight, gay, lesbian, bisexual, transgender? Am I reading a story told from the inside?
