7 Principles for Raising Boys - iMom

I'm reading "Bringing Up Boys" by Dr. James Dobson (founder of Focus on the Family). I LOVE it! It has just affirmed what I know to be true: that my husband is a MAN, a REAL man (who I love to death), and that raising a boy is so important (not that raising a girl is unimportant, but if you read the book, you'll understand that it's just really different).

The title I have chosen for this book, Bringing Up Girls, makes a fundamental assertion. It assumes that parents have the responsibility of not simply overseeing the growth and development of their girls (and boys) but of raising them purposely--building into them certain qualities and traits of character.
