5 because of the absence of the physical cues that financial institutions traditionally use to identify persons. One method to verify a customer's identity is a physical presentation of a proof of identity

Authentication in an Internet Banking Environment

The business environment is a marketing term and refers to factors and forces that affect a firm's ability to build and maintain successful customer relationships. The business environment has been defined as "the totality of physical and social factors that are taken directly into consideration in the decision-making behaviour of individuals in the organisation."
