Traditional circus clown types. Traditionally, there are three basic types of clowns that appear in the circus: the whiteface, the auguste and the character. Nowadays a fourth type, the tramp or hobo clown, is often recognized separately, even though, technically, it should be considered as another character clown. Each of these types of clown may wear a makeup that is either neat (slightly ...

Flying Circus uses a heavily modified Powered by the Apocalypse engine, running on d10s and with a variety of unique mechanics to flesh out air combat and the finances of running a mercenary company. The Powered by the Apocalypse system centers the gameplay around a series of Moves, small mechanics which are triggered by the narrative and which send things off into new directions.
