This is a list of video game publisher companies. A video game publisher may specialize in only publishing games for developers, or may either have in-house development studios or own subsidiary development companies. Some developers may publish their games themselves.. This list includes both active and inactive companies. Active publishers are either run independently or as a subsidiary of ...

Georgism, also called geoism and single tax (archaic), is an economic philosophy holding that, while people should own the value they produce themselves, economic value derived from land (often including natural resources and natural opportunities) should belong equally to all members of society. Developed from the writings of the economist and social reformer Henry George, the Georgist ...
