Healing a negative body image is a two step process: combining self love with self care. Self care is what helps your body look its best. Self love is what helps you feel your best about your body, as well as yourself. In my ebook, I offer 22 practical ways to implement these two practices in your life, so that you can love your body, feel pretty, and change negative health habits into positive ones.

Causes of symptoms according to Louise Hay is a good place to start if you are looking for healing. Illness however mild or severe is an indicator of your emotional state, caused by your thoughts and focus. I first came across this concept about 11 years ago when i read You Can Heal Your Life by Louise Hay. I found this book while in the depths of depression and it turned my life around in the next few years.
