

labour and employment law pdf

Labour law (also known as labor law or employment law) mediates the relationship between workers, employing entities, trade unions and the government. Collective labour law relates to the tripartite relationship between employee, employer and union. Individual labour law concerns employees' rights at work and through the contract for work. Employment standards are social norms (in some cases ...

Labour law - Wikipedia

United Kingdom labour law regulates the relations between workers, employers and trade unions. People at work in the UK benefit from a minimum charter of employment rights, which are found in various Acts, Regulations, common law and equity. This includes the right to a minimum wage of Â£7.83 for over 25-year-olds under the National Minimum Wage Act 1998.
