Masturbating won't make you blind, crazy, or stupid. It won't damage your genitals, cause pimples, or stunt your growth. It doesn't use up all your orgasms or ruin other kinds of sex. Here are some masturbation tips: Wash your hands before touching your penis, vulva, vagina, or anus.

## **Masturbation | Get the Facts About Masturbation Health**

In sexual history taking there is a grave risk that the examiner will assume too much about the patient from superficial clues or from the examiner's personal biases. Such assumptions put the examiner at a great disadvantage and confuse as well as embarrass the patient. The usual result of such assumptions is the loss of time, valuable information, and rapport with the patient.
