Greek letters are used in mathematics, science, engineering, and other areas where mathematical notation is used as symbols for constants, special functions, and also conventionally for variables representing certain quantities. In these contexts, the capital letters and the small letters represent distinct and unrelated entities. Those Greek letters which have the same form as Latin letters ...

Electrical Engineering - Archiv für Elektrotechnik is published in agreement with Verband deutscher Elektrotechniker (VDE).. The journal publishes original papers in the extensive field of electrical and electronic engineering. It accepts contributions which are fundamental for the development of electrical engineering and its applications, including overlaps to physics.
