

people of the dark pdf

Black people is a term used in certain countries, often in socially based systems of racial classification or of ethnicity, to describe persons who are perceived to be dark-skinned compared to other populations. As such, the meaning of the expression varies widely both between and within societies, and depends significantly on context. For many other individuals, communities and countries ...

Black people - Wikipedia

Dark skin is a naturally occurring human skin color that is rich in eumelanin pigments and having a black color. People with very dark skin are often referred to as black, although this usage can be ambiguous in some countries where it is also used to specifically refer to different ethnic groups or populations.. The evolution of dark skin is believed to have begun around 1.2 million years ago ...
