Melodies for sight-reading The "sight-singing bonanzas" came about because I couldn't find enough materials that would be quick and easy enough to simply sight-read in class.

### **Melodies for sight-reading - davesmey.com**

Practice, practice, practice. Although sight reading is relatively easy to learn, it must be practiced every day in order to improve. It will take most students from one to two years of diligent practice to become good. Because sight reading depends so heavily on recognition of structures, it is closely related to memory.

### **Sight Singing | SightReadingMastery**

Sight reading is an essential skill for all musicians at every level and in every discipline. The ability to sight read well enables the musician to learn new music much more quickly. It is often hard for younger, less experienced musicians to see the benefits of sight reading when progress may be slow.

### **paul cook**

Sight-reading at the Piano. Some pianists enjoy it. Some pianists hate it, but everyone can do it and everyone can get better at it. Once in a while I hear a student pianist say "I'm not good at sight-reading music" and for some reason they don't expect that to change. With time, patience and deliberate sight-reading practice it will change.
