Indian council of Agriculture Research (ICAR) is the largest scientific organisation in India with most number of research institutes. ARS NET exam is the only life science exam in India that allows you to become a Scientist in ICAR institutes all over India with just the qualification of M.Sc in the concerned subject. That itself tells the importance of this exam.

Psychology is the science of behavior and mind, including conscious and unconscious phenomena, as well as feeling and thought. It is an academic discipline of immense scope and diverse interests that, when taken together, seek an understanding of the emergent properties of brains, and all the variety of epiphenomena they manifest. As a social science it aims to understand individuals and groups ...

Major depressive disorder (MDD), also known simply as depression, is a mental disorder characterized by at least two weeks of low mood that is present across most situations. It is often accompanied by low self-esteem, loss of interest in normally enjoyable activities, low energy, and pain without a clear cause. People may also occasionally have false beliefs or see or hear things that others ...
