A while back, I released a complete works of H.P. Lovecraft eBook in EPUB and Kindle formats. While that works for most people, some had asked for a PDF copy for their computers or other devices. Creating the PDF wasn't a priority (the stories are all available online and the two version I've created can be read on nearly every device, including computers), but it was still something I ...

Geomancy requires the geomancer to create sixteen lines of points or marks without counting, creating sixteen random numbers. Without taking note of the number of points made, the geomancer provides the seemingly random mechanism needed for most forms of divination. Once the lines are produced, the geomancer marks off the points two by two until either one or two points remain in the line ...
