The Contrarian's Guide to Leadership by Steven B. Sample A summary of the original text. If you want ordinary results in your business, you might succeed with the conventional approach to leadership. But if you want truly exceptional results — high employee morale and loyalty,

The Contrarian's Guide to Leadership

The Contrarian's Guide to Leadership [Steven B. Sample, John H. Mayer] on Amazon.com. *FREE* shipping on qualifying offers. In this offbeat approach to leadership, college president Steven B. Sample — the man who turned the University of Southern California into one of the most respected and highly rated universities in the country — challenges many conventional teachings on the subject.

The Contrarian's Guide to Leadership: Steven B. Sample

Contrarian leaders know that it's great people, not great job descriptions, that make an organization successful. (125) Yet the advantages of real diversity are usually worth the pain and costs involved. A highly homogeneous organization is as susceptible to disease and infestations as is a large biological monoculture.

“The Contrarian's Guide to Leadership”

A contrarian leader, as defined by Sample, is one who sees situations from his own unique point of view and who finds genuinely new solutions to the challenges facing his organization. The Contrarian's Guide is a distillation of Sample's decades as a university president, director of corporate boards, civic leader, inventor, and professor.
