School of Health & Natural Sciences - Mercy College

The North Carolina Museum of Natural Sciences (NCMNS) is located in Raleigh, North Carolina. This museum is the oldest established museum in North Carolina and the largest museum of its kind in the Southeastern United States. With about 1.2 million visitors annually, as of 2013 it was the state's most popular museum or historic destination among visitors.

North Carolina Museum of Natural Sciences - Wikipedia

Natural science is a branch of science concerned with the description, prediction, and understanding of natural phenomena, based on empirical evidence from observation and experimentation. Mechanisms such as peer review and repeatability of findings are used to try to ensure the validity of scientific advances.. Natural science can be divided into two main branches: life science (or biological ...
