understanding of organizational culture remained fairly primitive during the following decades. Most
mid-century attempts at understanding were conducted by scholars steeped in quantitative psychology and
sociology, though by the 1970s researchers more explicitly and emphatically appropriated the theories and
methods of anthropology.

Defining "Culture" and "Organizational Culture": From

Since your Sacred Contract is embodied in a support system of twelve archetypes, it is best to think of them
as intimate companions. They provide the foundation for your personality, drives, feelings, beliefs,
motivations, and actions.
