The Silent Language - Monoskop

The Silent Language - Monoskop

Actually, The Silent Language is a translation not from one language to another, but from a series of complex, nonverbal, contexting communications into words. The title summarizes not only the content of the book, but one of the great paradoxes of culture It isn't just that people "talk" to each other without the use of words, but

The SILENT LANGUAGE in Overseas Business By Edward T. Hall With few exceptions, Americans are relative newcomers on the international business scene. Today, as in Mark Twain's time, we are all too often "innocents abroad," in an era when naivete and blundering in foreign business dealings may have serious political repercussions.
