The Power Vertical Briefing is a short look ahead to the stories expected to make news in Russia in the coming week.

The Briefing: Repression Then And Now

The unified theory of repression Matthew Hugh Erdelyi Department of Psychology, Brooklyn College and the Graduate School, ... It has now become clear, as clinicians had claimed, that the inaccessible materials are often available and ... If repression is suppression, then everybody believes in repression. The myth morphs into the obvious.

The unified theory of repression - Jewish General Hospital

That was then, this is now alludes to a central aim of psychoanalytic therapy, which is to help free people from the bonds of past experience in order to live more fully in the present. People tend to react to what was rather than what is, and psychoanalytic therapy aims to help with this. The title also

At first sight, such a strategy might seem eminently sensible as a definitive.

Conversation Creating the Unconscious

The accomplishments of Latin American social medicine remain little known in the English-speaking world. In Latin America, social medicine differs from public health in its definitions of populations and social institutions, its dialectic vision of "health" and "illness," and its stance on causal inference.

Singing Soldiers, Then and Now ... modern example is the often dark "soldier's" humor, arguably aiming for repression of memories of traumatic experiences in battle, but superficially intending the accomplishment of multiple objectives, including, but not limited to, keeping in step. ...

Singing Soldiers, Then and Now - CAMWS

Back in 2007, Brian Haw battled against a government desperate to close his, by then, 6 year long vigil. While his own small encampment held ground, he was gradually joined by others, a few legitimate supporters, but several homeless people and other campers, who set up around the square nearby.

Then and now " Parliament Square, democracy and repression

Repression, which Freud sometimes calls the "dream-censor" in his discussion of dreams, is continually re-working the latent dream-thoughts, which are then forced to assume toned-down, distorted or even unrecognizable forms.
