Turkish vocabulary is the set of words you should be familiar with. A vocabulary usually grows and evolves with age, and serves as a useful and fundamental tool for communication and acquiring knowledge.

### **Turkish Vocabulary - Learn Languages**

In Turkish, words and grammatical features are built up by means of suffixes (endings which are added to words). Some of these (inflectional suffixes) have a purely grammatical function; others (derivational suffixes) help to build up the vocabulary of the language by deriving new words from existing ones. For example, in English, 'I did not work'
