Understanding and Managing Organizational - GBV

(18) Share the wealth. Give people full credit for organizational success. Find the time to communicate constantly with people on what is going on in your organization, not just when you have bad or negative things to say about people. Replace intimidation with inspiration in your people management philosophy.

Managing People for Organizational Success

Organizational behavior is a broad field comprised of many subject areas. Work behaviors are typically examined at different levels—individual behavior, group behavior, and collective behavior across the organization—
