

violence and its alternatives pdf

The Alternatives to Violence Project (AVP) is a volunteer-run conflict transformation program. Teams of trained AVP facilitators conduct experiential workshops to develop participants' abilities to resolve conflicts without resorting to manipulation, coercion, or violence. Typically, each workshop lasts 18–20 hours over a two or three-day period.

The studies of violence in mass media analyzes the degree of correlation between themes of violence in media sources (particularly violence in video games, television and films) with real-world aggression and violence over time. Many social scientists support the correlation. However, some scholars argue that media research has methodological problems and that findings are exaggerated. (Ferguson ...
